

GDPR Compliance Notice

Dear Sir/Madam,

On May 25, 2018, the current Data Protection Acts 1998 & 2003 were replaced, with the new European Union's General Data Protection Regulations (GDPR).

With this in mind, I am legally obliged to inform you that the data details currently held are stored confidentially and securely in our database.

The information held is integral to maintaining high levels of service. Any information held is not shared with any third party and is securely stored and where possible, encrypted.

The type of information held is as follows:

- Contact Name
- Contact Address
- Contact Telephone Number
- Contact Email Address

Your privacy and information is extremely important to us along with compliance to these new guidelines.

If you have any questions regarding the above, please do not hesitate to contact us.

Yours sincerely,

Dave O' Keeffe
